Lansing, MI — The Michigan Townships Association Political Action Committee (MTA-PAC) announced its endorsement of John Moolenaar for state senator in the 36th District.

MTA-PAC's endorsement was based primarily on Moolenaar's responsiveness to township issues in the Michigan Legislature and input from township officials in the 36th House District. With over half of Michigan's citizens residing in townships, the Michigan Townships Association (MTA) believes residents will benefit from the continued efforts of state legislators, like Moolenaar, who understand how local communities are impacted by legislation.

The MTA Board of Directors established the MTA-PAC in 1982 to participate in elections for the Michigan House and Senate. The committee represents more than 99 percent of Michigan's 1,240 townships and 6,500 elected township officials.
